

Welcome! During the Worship Services

In worship, the people read the **bold print** and a liturgist reads the regular print. Worship guides or notations are *italicized*.

“†” indicates to please stand as you are able.

① Prayer for Transformation

Gracious God, it is so easy for us to become lost in the maze of politics and beliefs, to drown in data and information, to become confused by competing passions and people. Remind us that our lives become simple and our way becomes clear when Jesus Christ becomes the cornerstone of our lives, the foundation upon which we lay all else. Through your love and grace, may our differences serve to strengthen instead of divide us. As we worship You this morning, we ask that You enlarge the borders of our minds, increase our love for one another, and empower our faith to actively serve You. Amen.

② Vision Statement

It is our vision to be a community of faith as loving and considerate of persons as Jesus; as devoted to justice as the Old Testament prophets; as responsive to truth as science; as beautiful as art; as intimate as the home; and as indispensable as the air we breathe.
