

## WELCOME TO WORSHIP AT FIRST CHURCH

*The Vision of First Church is to be an inclusive, deeply relational community inviting all people to experience God's presence today.*

### ALL ARE WELCOME HERE—WE STRIVE FOR IT.

In the spirit of Jesus Christ, First United Methodist Church of Fort Collins commits to offering a community in which persons of diverse age, color, culture, sexual orientation and gender identity, economic status, and physical or mental ability are all welcomed and affirmed. To all who have known pain of exclusion or discrimination from church or in society, we seek forgiveness and offer a place of respite and welcome.

**IF YOU ARE NEW TO OUR CHURCH** and would like more information, please ask one of our greeters or ushers or visit the **Welcome Center**. They can direct you to classrooms, nursery, restrooms, food, and fellowship, as well as introduce you to our staff. We would be honored to get to know you better and learn about your life and spiritual needs. Our community may not know you yet, but we already love you and hope you will make this your spiritual home. Thank you for joining us today, and God bless you!

**TRANSITION TO NEW MINISTRY:** David Reid is going to pursue a new and exciting role effective February 2022. While David considers his work with Adult Faith Formation and the Northern Colorado Faith Library to be the most important work of his life, he believes that now is the right time to turn this position over to new leadership as he is excited by a new opportunity that will benefit the church and rejuvenate him – helping bring community organizing to Northern Colorado. Community organizing is an evolving area of discipleship that will work to provide meaningful community engagement and growth. It addresses issues such as poverty, affordable housing, racism, and justice, bringing diverse people, faith communities and non-profits together to work for the common good of all. Starting February 2022 or after a new Director of Faith Formation and Library is hired, whichever comes first, David will continue to work at First Church as a consultant for adult faith and library until he fully transitions to work with community organizing. David wants everyone to know that the Adult Faith Formation and the Northern Colorado Faith Library aren't going away and that community organizing could be an opportunity for church members to participate in an interesting new ministry.
