**Message from Melanie ...**

November is the month of giving thanks, and also the month of Stewardship, when we commit to generously invest in the ministry we share.

Our church is not an irrelevant monument to the past, but a center for life changing ministry. Every day I have the opportunity to see what a difference this church has made, and continues to make, in people's lives. I witness the multiple ways in which our time, energy and money is transformed into miracles of hope, healing and new life. We nurture children and youth in the faith. We care for our elderly, bereaved and sick. We educate and offer spiritual growth opportunities. We care for the less fortunate. We continue to reach new people with an inclusive, loving Christian community that they did not know existed.

What value do you place upon peace of mind, forgiveness, hope in the face of death? What value do you place upon inspiring worship and authentic community? What value do you place upon helping the suffering and the sorrowful? What we offer is precious beyond price.

We are inviting everyone affiliated with our church to generously invest in our ministry for the coming year during our Stronger Together: God's Blessings Prevail campaign. You will be invited to prayerfully estimate what you consider a generous commitment, which will help us carefully prepare for ministry in the year ahead. Thank you in advance for your support and generosity. You make a living by what you get, but you make a life by what you give away.

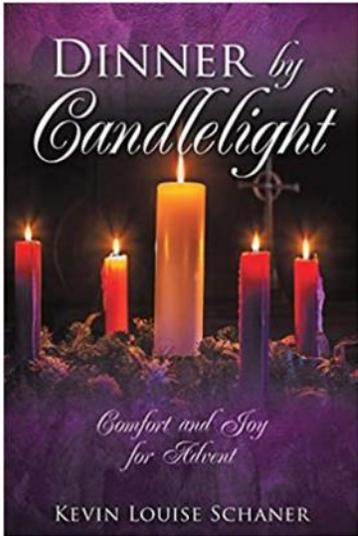

*Melanie*

Dr. Melanie Rosa, *Lead Pastor*

**We encourage everyone to wear masks in worship and in large groups while in the church Building to keep everyone as safe as possible. Thank you!**

## Habitat News

First Church has had another successful year working with Fort Collins Habitat for Humanity on a Faith Build. We have pledged to help build and raise \$5,000 each year for several years and last year raised \$63,000 toward a house for Becky and Ember. This year we raised \$5,350, which with pledges and builders from several other churches, we are building another house. Volunteer days were on June 8, August 3, and September 25. We were limited in the number of volunteers by a reduced Habitat supervisory staff because of the pandemic.

Builders this year were: Bev and Scott Addington, Bill Ault, Colin Campbell, Mike Foley, Jeff Johnson, Keith Metcalf, Marilyn Pullin, Dave Rubenthaler, and Roy Wood. On our last build day on Saturday, September

25 lunches were provided by Bonny Thomas, Janet Shupe, Diana Burkholder, and Jim Collinson.

## Stronger Together: God's Blessings Prevail

"Stronger Together: God's Blessings Prevail" is the theme of our Stewardship Campaign this month, as we give thanks for how well we did during the challenging year just past, and all that God will continue to do in and through us in the coming year. Please prayerfully consider your financial commitment to help fund the ministry of our church for 2022. We are making a difference in countless lives, and hope to expand our ministry even more in the year ahead. We are indeed stronger together.

### November 21 is Commitment and Pie Sunday!

Please bring your favorite pie to Fellowship Hall on November 21st. We will celebrate God's bounty and provision by committing our estimate of giving to the church during worship, and then enjoying pie and fellowship together. Please join us as we celebrate God's provision and give thanks for our community of faith!

Members of this team have medical or mental health training. If there is a medical emergency, and if needed, this person will respond appropriately and take the lead to call 911. ## *Journey to Discipleship - Inspire Hope*

In today's world, holding on to hope is not always an easy thing to do. Our presence with one another is one of the ways we hold on to hope. We find our humanity in our connections with others; and being a follower of Jesus means being in community with other followers of Jesus. The writer of Hebrews tells us to "encourage one another." (Heb. 10:25) We cannot be growing disciples of Jesus Christ without the encouragement, guidance, wisdom and accountability of other disciples. "Two are better than one.. for if one falls, the other can help him up.." (Ecclesiastes 4:9-10)

First Church offers many opportunities for connecting, and becoming a network of care and concern for one another, such as men's & women's groups, children's & youth activities, music ministry, support groups, fellowship time, social events, and others.

Being present in Christian community is a critical component In our growth in relationship with each other and Christ. The Discipleship Ministry Team is ready to help you connect with a loving community to find, and inspire, hope in one another.
