MESSAGE FROM MELANIE

After 40 years serving under appointment as an ordained Minister in the United Methodist Church, it is time for me to retire. I will be 65 in October, and First Church needs a new Lead Pastor to guide this church into a promising future. It has been the privilege of my professional life to serve this church, and to finish my career in the place where I was ordained. I can say with absolute confidence that we have made the most of our time together, fulfilling our Mission and Vision as a congregation. I could not be prouder of all we have accomplished, especially during very challenging circumstances.

I have spoken with Bishop Karen Oliveto and Superintendent Tezenlo Thong, and strongly emphasized what I believe is most needed in Pastoral leadership for this promising church. They have assured me that they will prayerfully work to find the best possible Pastor to serve here, alongside the outstanding Staff already in place. I hope you appreciate what bright, dedicated and hardworking Staff you have. They are tremendous! And our Lay Leaders are the smartest and most dedicated I have worked with in 40 years, without exception.

As is required in our system, I will stay away for at least one year so that your new Lead Pastor can build trust and relationships. I will no longer be available for weddings, funerals, or any pastoral functions. Promise me that you will welcome your new Lead Pastor (and family) with love, generosity and acceptance. It is not easy coming into a church like ours and she/he needs all the love and grace you can offer.

Also, promise me that you will not take this church for granted. Support it faithfully and generously. Progressive, intelligent, fully inclusive churches are all too rare (sadly enough) and their survival is not guaranteed. Future generations need to know of a God whose love is all encompassing and transforming, a God more sacred mystery than pious certainty. They will only know if churches like ours do not flounder, but flourish and prosper. **Faithfully attend worship, volunteer, give generously, get involved!** Your participation matters not only to our church, but to progressive, inclusive, intelligent Christianity.

We are all as grass of the field, which withers and fades. Yet the field we have been tending together has produced green pastures, and abundant life. I am beyond grateful God led me to this field, and to you, five years ago.

Melanie

We are changing the world, one person at a time. Your gifts make a huge difference!

Recently some of our trained UMCOR volunteers, Charissa Dull and Kate and Rick Norton served with the Marshall Fire recovery efforts. Thank you!

Adult Faith Formation Opportunities

First Church suggests these three educational offerings for Lent:

- First Church member Stephanie Matthews will lead a study of Kate Bowler's book, *No Cure for Being Human (And Other Truths I Need to Hear)*, at noon in person in Village Commons and at 7 p.m. online for four Mondays during Lent. Class sessions are scheduled for March 21 and 28 and April 4 and 11. The initial group of books are \$17, thanks to a group discount and available at the Adult Faith Formation table on Sundays.
- Join the Open Hearts class for a video discussion study of Amy-Jill Levine's *Witness at the Cross*. The study starts at 11 a.m. March 6 in Village Commons.
- "Just Love: Live in Faith, Act with Courage, Work for Justice" is an online offering of the Mountain Sky Conference that is available for six Sunday evenings beginning March 6. Look for "Just Love 2022 Lenten Series" at www.mtnskyumc.org to register.

Copies of the book *101 Memorable Men of Northern Colorado* are available for a donation to the Northern Colorado Faith Library in Fellowship Hall on Sundays. This fundraiser was the idea of First Church member Joe Ahlbrandt, who donated copies of the book written by his late mother, Arlene Briggs-Ahlbrandt. Profiles include members of First Church, people for whom towns and streets are named and many more.

Dr. Lory Clukey will lead the Spirituality Book Club discussion of Kate Bowler's *No Cure for Being Human* at 3 p.m. March 20. The session is scheduled to be held at First Church. To stay informed of the plans, contact Martha Conant at marthaconant@gmail.com. Clukey, who holds two doctorates, is professor emerita at the University of Northern Colorado School of Nursing Administration and continues to teach in the university's online program.

From the Faith Community Nurse ...

"Hope springs eternal." (Poet Alexander Pope, 1732)

With the coming of spring, I'm sure we are ALL hoping for an end to the COVID-19 Pandemic. Restrictions are lifting, and things are beginning to transition back to normal. What precautions should we continue taking?

For the safety of all, I recommend we continue to wear masks when at church, regardless of vaccination status. The mask mandate has expired and the CDC has said that masks are now optional when in groups indoors. However, please keep in mind that more than 20% of our church population is over the age of 80. In addition, some folks have one or more chronic diseases (cancer, respiratory conditions) which means they have a higher risk of getting dangerously ill if infected with covid, influenza, or even a common cold.

For the safety of all you are encouraged to wear a mask and use hand sanitizer frequently when at church and please stay home if you are sick. If the rapid drop in the number of new covid cases continues and no new variants appear, we will may soon be able to lessen some of the precautionary measures we are currently following.

Yours in Good Health,

Days for Girls Kits and Quilts Benefitting People Near and Far

Kate Norton

Did you know that over 1.2 million girls in the world have no access to sanitary products? Consequently, these girls miss up to 3 months of school every year. Many of these girls end up getting behind in school and ultimately dropping out. This is a sad situation that can be easily fixed with our help! Since 2017, a dedicated group of women at First Church has been busy making reusable Days for Girls

sanitary kits (www.daysforgirls.org). To date, they have made almost 1000 kits! Most of these kits have been distributed in Kenya and some have been distributed to Sudanese refugees in Chad and to victims of a major explosion in Lebanon. The kits provided to Kenyans were done so as part of the First Church Water Sanitation and Hygiene (WASH) Project, which installs clean water systems, toilets and wash stations at Kenyan schools to support children's health and wellness, thereby allowing them to stay in school. Several First Church members were able to visit Kenya in January 2020 and deliver 547 kits. The First Church team was privileged to participate in the distribution of the kits and health education for the students.

In addition to the gracious volunteers making the sanitary kits at First Church, we have also had generous donors to the DfG program. The donations have been used to support a small DfG business in Kenya that is run by a kind and talented woman name Juliana Oiro. Supporting the DfG businesses in the areas of need allows the program to be more sustainable and provides jobs for women who may otherwise not be able to work. Juliana and her team have already made and distributed 375 kits and are currently making another 100! Because of the generous donations given to the First Church DfG program, these kits can be distributed at no cost to the girls.

First Church's Thelma Mauk, who generously supports DfG with her time and sewing talents, volunteers with the Fort Collins Sew n Sews quilters (an ecumenical group that meets at the St. Peter Evangelical Lutheran Church) to make beautiful quilts using the DfG fabric scraps. These quilts are given to various charities including the Royal Family KIDS Camp (Foster Child Program) and the Matthews House (supporting young adults graduating from the Foster Care system). The First Church DfG team has been lucky enough to see some of the quilts before they are donated and they are not only stunning to look at, but it is clear they are true gifts of love. If anyone is interested in the DfG mission, please contact Kate Norton (flf67@live.com or 970-402-6783). We look forward to having you join us in making a difference in many more lives!

First Church Emergency Assistance Fund

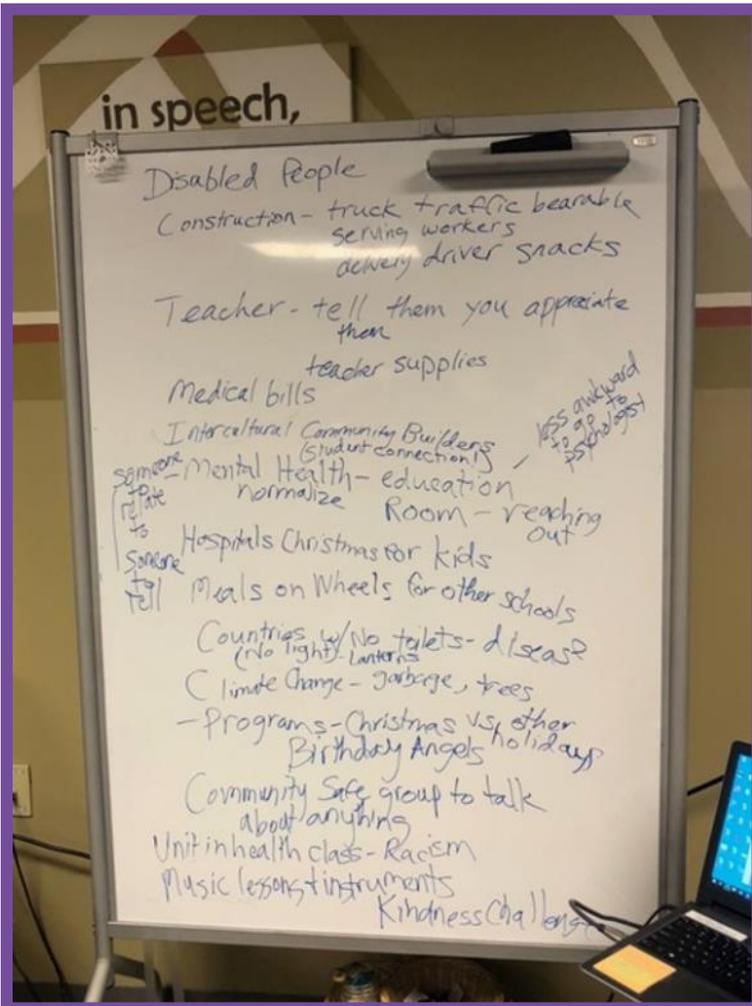

The Emergency Assistance Fund Committee is available to provide financial assistance to members and constituents with urgent needs pertaining to: food, housing, utilities, health, and transportation. Those needing assistance can contact the EAF committee through one of the pastors or by calling the EAF phone number at 970-494-5960. Information shared with the committee is confidential.

May We Brag a Little? First Church has Amazing Youth!!

The Mission Team

We know it may not be appropriate to brag in church, but we just cannot help it. On February 9, 2022, several members of the Mission Team visited the First Church Junior High School students during their weekly gathering. We all sat on their comfy couches in the youth room while Janet Krech had each student represent a hypothetical person of need. She then asked the youth to connect the hypothetical person with one of the many mission programs our church supports (e.g., Faith Family Hospitality, Habitat for Humanity, Kenya WASH Program, Bookmobile, Kids Closet, Backpack Program - to name just a few!). Our goal was to inform them of all the local community and global support First Church provides and to welcome them to join in the mission efforts. We tried to limit the program to 30 minutes so the youth could move on to their other activities, but we overran our time limit. Why? Because these amazing young people were so engaged and had so much to contribute to the discussion, we just kept going! They shared incredible insights into where they believe people need help and where First Church might focus additional mission efforts. So much so that an entire whiteboard was full of ideas! Their ideas included support for teachers, mental health issues, people with disabilities as well as providing birthday presents for underprivileged kids and more! The mission team members left that gathering invigorated and knowing we just spent an hour with future leaders of the world. No exaggeration. Their ideas will not just remain on the whiteboard. We heard them loud and clear and will do our best to incorporate them into our future endeavors at First Church. We thank them profusely for sharing their time, ideas and energy. I highly recommend seeking these youth out at church and chatting with them. No doubt you will walk away feeling as good as we did and knowing something new! Soon we will also be meeting with the Senior High School youth and young adults and can safely say they will be equally as enlightening and will provide more positive, creative, and caring ideas that will help First Church mission efforts. Thank you, youth!! You make a real difference in the life of our church and community.
