There will be two groups that will meet weekly on Mondays: in person at noon and on zoom at 7 PM for an hour starting May 2. Interested? Please sign up using the form below:

<https://docs.google.com/forms/d/1Z9Q6JTnl4mlbWKTvjNG66vHiCXkGtR2Q0KPpKbTcbkw/edit>

A minimum of 10 people must sign up to form a group.

## Free Estate Planning Presentation - May 1, 2022

Do you have a Will? Has your Will been reviewed or updated recently? Have you talked openly with family and loved ones about your plans? Please join us on May 1<sup>st</sup> at 12 P.M. in the Parlor for a free presentation on estate planning where attorneys Kathryn Lonowski and Mike Samelson will discuss the things everyone should know about estate planning regardless of your age.

They will discuss:

- Medical Durable Power of Attorney
- General Durable Power of Attorney.
- Last Will and Testament.
- A Living Will.

After the presentation they will answer any questions and will be able to provide the expertise to create any legal documents you may need by setting up a meeting with them. A light lunch will be provided.

## United Methodist Women - Now *WOMEN IN FAITH*

The United Methodist Women (United Women in Faith) invites everyone to join us on April 14, 2022 in the church parlor. Lunch begins promptly at 11:30 followed by a presentation at noon by Cindi Ross-Bell on the Passover Seder. She will explain where and how the traditions of the Passover meal began in Jewish history, and how Jesus used this traditional meal to begin what we know as Christian Holy Communion. Questions? ## Message from Melanie

We do not talk about it much, but mortality is an ever present fact of life. We will all die, hopefully later rather than sooner. While it is a sobering reality, our mortality is also a reliable companion providing sacred meaning and inviting us into deeper appreciation of life. Remembering the natural ebb and flow of all living things, the cycle of continual transformation which governs all of nature, can profoundly enhance our acceptance of life and death.

We have the gift of this moment to move toward wholeness, to soften our hearts, accept what cannot be changed, choose abundant life. And to remember that there is an eternal mystery beyond death, in which all that is best about us abides and endures.

This is the resurrection promise we celebrate on Easter, and is the very heart of the faith we share. We need resurrection, for just when we have emerged from our Covid tombs, a new variant appears, we are faced with an unprovoked military invasion, severe humanitarian crisis, drastic global upheaval, and our ever present companion, uncertainty. We cannot predict what this means for our future, or the future of our human family. Which is why we need a hope beyond fear, and promise beyond uncertainty. Easter and all that it represents, offers an outrageous promise that bad news is not final. This is not naïve optimism, but an assurance born of hope and trust. In this fragile human reality, God gives us a glimpse of something more. Into lives battered by dashed hopes, broken dreams and terrible mistakes, God shows us how to begin again. Into places where heartache abounds, and wounds are unhealed, goodness and grace arise. Our God finds a way in the wilderness, and overcomes evil with love. This defies understanding, so we are asked to trust and believe. The promise of Easter is not just something that happened to Jesus, it is something that happens to us; the resurrection hope of the empty tomb is our hope too.

If you are able, please join us on Palm Sunday, Maundy Thursday, Good Friday and the glorious resurrection celebration on Easter Sunday. Our human existence has greater depths of beauty, mystery, and power than we could ever fully understand. Christ is risen, he is risen indeed!

## A Message from the Conference Council on Finance

Dear Saints of First Fort Collins:

We want to express our deep gratitude for your impressive growth in Connectional giving to the Mountain Sky Conference in 2021. You increased your giving by \$21,300 or 40% from the prior year. Wow. Words do not adequately convey our appreciation. Most of this stayed in the Mountain Sky Conference to support our various ministries, the rest went to support schools, hospitals, recovery efforts nationally and globally. Thank you and God Bless you!

## Community Building by David W Reid, *Community Builder*

Our church has initiated a project to bring community organizing to Northern Colorado.

I now work for the church in cooperation with Coloradans for the Common Good, which is the Denver-based affiliate of the Industrial Areas Foundation (IAF). The position will be supported by grant funding.

The IAF created the modern model of broad-based organizing and is widely recognized as having the strongest track record in the nation for citizen leadership development and for helping congregations and other institutions act on their missions to achieve lasting change in the world.

My new title is "community builder" and the task is to bring together approximately 25 congregations, trade unions, teachers unions, nonprofits and community organizations from Larimer and Weld counties to form a new IAF affiliate. I will have succeeded when the new group has sufficient funding to hire a community organizer and has accumulated a substantial reserve fund.

Member institutions of the NoCo affiliate will determine the priorities. Issues that have surfaced in early discussions include mental health (especially for youth); gun safety; wage theft; working conditions for agricultural workers; cost of higher education; cost of health care, especially for immigrants; need for affordable housing; and housing discrimination.

Community organizing draws upon the moral, social and economic-justice teachings of the world's great religions and some 3,500 congregations are involved worldwide. People of good will sincerely want to encounter the other. Organizing provides a context for that and teaches the relational skills that are necessary for it to occur.

I am eager to speak with individuals and groups about how to participate in this new discipleship ministry. Contact me at [davidreid24@gmail.com](mailto:davidreid24@gmail.com) or call or text (970) 581-2707.

## Notes from Our Faith Community Nurse

Birds singing, flowers blooming, maybe 70 degrees, or maybe snow. Spring in Colorado is upon us once again! This means spring cleaning. This spring, consider cleaning out your medicine cabinet. Time to get rid of those old/expired prescription medications, ESPECIALLY potentially harmful ones (pain pills, muscle relaxants). But wait!! Don't just throw them in the garbage or put them down the sink/toilet. They might still get into the wrong hands or hurt the fish and wildlife in our local waters. National Prescription Drug Take Back Day is April 30, 2022 – 10AM to 2PM. For more information, log on to: [https://www.deadiversion.usdoj.gov/drug\\_disposal/takeback/](https://www.deadiversion.usdoj.gov/drug_disposal/takeback/) . If you miss this date, don't worry. You can contact me and I can still let you know of a location that collects year-round.

Yours in Good Health,

# FUMC FOUNDATION ANNOUNCES 2022 GRANT PROGRAM

By Kathryn Lonowski

The 2022 Grant Program of the Foundation for the First United Methodist Church of Fort Collins will begin on April 1st. Grant money is available for church committees and groups to be used for programs, equipment and services that are typically not funded through the church operating budget. The Foundation was begun in 1986 and has distributed nearly \$400,000 in grant money since that time.

## Grant Application Timeline

April 1 – 30: Grant applications may be found online on the church website or picked up in the church office. Applications will also be placed in committee mailboxes.

April 30: Deadline: Completed grant applications must be returned to the church office with the necessary signatures and placed in the Foundation mailbox.

May Review: The Foundation Board will review each application and determine this year's recipients.

June 1: Notification: Grant applicants will be notified as to the status of their application.

The Foundation Board will review each application to determine if the request should be fully funded, partially funded or not funded. In general, the total amount requested for all grants far exceeds the funds available.

Each grant application requires signature approval, and the signatures must be obtained prior to submission to the Foundation. Unsigned applications will not be considered for funding.

If you would like additional information about the Foundation Grant Program please contact Kathryn Lonowski at [klonowski@wicklaw.com](mailto:klonowski@wicklaw.com).

If you would like to make a tax-deductible contribution to help the Foundation grow in capability, please contact FUMC Foundation President Bill Whitaker at [wlwhit40@gmail.com](mailto:wlwhit40@gmail.com).

## Habitat for Humanity Update

By Jim Collinson

On February 25th, the Habitat for Humanity of Fort Collins Faith Build home at Harmony Cottages that First Church supported in 2021 was dedicated. Karen will close on her home and move in soon. Family members, friends, and representatives from several of supporting churches were at the ceremony. Members of First Church supported the build with several volunteers that helped with construction and provided an onsite lunch. We contributed \$5,300 that was matched by Thrivent Financial.

14

This year First Church is supporting a home for Ashlen and Stephen with a \$5,000 pledge. They were married on Valentine's Day last year. Ashlen works at the Food Bank and Stephen at the Fort Collins Rescue Mission. You can learn more about this couple by watching "Stephen and Ashlen's Story" on YouTube: <https://youtu.be/WrTCq9Gloss>

Thrivent Financial, which has contributed over \$1.5 million toward building Habitat houses in Fort Collins, will no longer be a sponsor due to internal policy changes. The major supporters for the 2022 Faith Build are Redeemer Lutheran and the Fort Collins Lutheran churches (aka FOCOLU). First Church has again pledged \$5,000 and volunteers toward this year's Faith Build. Stephen and Ashlen will contribute 200 hours of "sweat equity" and pay a no interest mortgage for their home.

Since its beginning in 1993 Fort Collins Habitat has complete over 80 homes locally. Members of First Church have participated in most of these builds.

### The Seven Last Words of Christ for Chorus and Soloists

by Theodore Dubois

presented by  
**The Sanctuary Choir**  
with  
Organ, Harp, Flute, and Timpani

Friday, April 15, 2022  
7:00 p.m. Sanctuary

Dubois composed *The Seven Last Words of Christ* in 1867 for Saint Clotilde in Paris, where he was the choir director (Maitre de chapelle). He scored the work for full orchestra, chorus, and soloists, but later revised his orchestration to include only organ, timpani, and harp, the version most often heard today.

Please join us for this moving service of Tenebrae sung in English, interspersed with readings and prayers. Throughout the service the Sanctuary will become increasingly dark symbolizing the death of Christ on the cross. Experiencing a service of Tenebrae serves to make the celebration of Easter an even more joyous event.

### Easter Flowers—Celebrating Loved Ones

If you would like to purchase flowers in honor or in memory of someone to be displayed in the Sanctuary on Easter, **please pick up an order form at the Welcome Center.** Please complete the order form and return it with your check to the main office no later than April 10. The cost is \$8 and you may pay online (preferred) or with a check. Please do not pay with cash. The flowers will be 6.5 inch potted mums in white, yellow and purple (no choice of color). You may pick up your flower after the 11:00 a.m. service on Easter Sunday, or on Tuesday, April, 19 from 9 a.m. to 3:30 p.m. Any flowers remaining after April 19th will be taken to our homebound members and friends. Thank you for helping make our Sanctuary festive for Easter!
